

## Cash Management Services

### Courier Service

Saving your company time and money is the entire goal of The Business Bank's Courier Service. This complimentary service is available to all customers for servicing your depository needs. Our experienced courier staff will stop at your business to receive your deposits based upon the frequency which best fits your needs.

The time savings for your business can be substantial, which ultimately produces an economic benefit to your company.

The following example demonstrates the savings being achieved by a current customer utilizing this convenient, free service:

Staff time spent in round trip to bank:	1 hour
Hourly salary cost:	\$15.00
Deposits made per week:	5

Based upon this simple example, this client achieves an annual savings of \$3900 in productivity.
